

## Curious Guy

### The Legendary Pink Dots

Smash me into little pieces, put me in a cup, add sugar, stir me,  
warm  
me  
up, and drink me. I want to get inside you. I want to light your  
heart. I want to lick your secret valleys, slide through alleys,  
(dance  
from stone to stone?). I want to hear you moan in ecstasy. You  
u're shy,  
you shouldn't be. I just want to get to know you better, to know  
you  
better, know you better. I'm a curious guy.(3x) I spy. There  
's blood  
in my eyes. I'm a furious guy.(2x) I die. (I'm great in cans  
; I'm  
great on toast.....)
