

This Could Be The End

The Legendary Pink Dots

It's over. Complete. And the trapdoor collapsed. And your hair'
s pretty
neat through your neck snapped in half. And the man in the mask
takes a hit
from a flask and he laughs. Yes he laughs ! (Though his face ne
ver
changes...)
YOUR PAIN IS FOR YOU ALONE, AS IT IS, AS IT WAS, AS IT WILL BE.
FOREVER.
AMEN.
