

## This Could Be The End

The Legendary Pink Dots

It's over. Complete. And the trapdoor collapsed. And your hair'  
s pretty  
neat through your neck snapped in half. And the man in the mask  
takes a hit  
from a flask and he laughs. Yes he laughs ! (Though his face ne  
ver  
changes...)  
YOUR PAIN IS FOR YOU ALONE, AS IT IS, AS IT WAS, AS IT WILL BE.  
FOREVER.  
AMEN.
