## **Brass Buttons**

## The Lemonheads

Brass buttons, green silks and silver shoes Warm evenings, pale mornings, bottled blues And tiny golden pins that she wore up in her hair Brass buttons, green silks and silver shoes

My mind was young and then it grew
My thoughts known only by a few
A dream much too real to be leaned against too long
And all the time I guess she knew

Her thoughts still dance inside my head Her comb still lies beside my bed But the sun comes up without her, it doesn't know she's gone And it remembers nothing that she said

Brass buttons, green silks and silver shoes Warm evenings, pale mornings, bottled blues And tiny golden pins that she wore up in her hair Brass buttons, green silks and silver shoes Brass buttons, green silks and silver shoes
