

Come Back D.A.

The Lemonheads

Now Satan is all over this world
You want to find him
I want to find him
Now Satan is everything you are
Everything I am
When I pledge
I'm not like you
I'm not like him
I'm so nice thing
No such like him
Now the soul he didn't see it
He didn't mean it
He didn't see it
My Ruthie doll
Blind as a bat
Slow as a turtle
I give up to you right now my lord
