

I Am a Rabbit

The Lemonheads

Well I've been called a dope before
Say I'm not sexy anymore for you
Say I am an animal
Say I'm not a man at all, it's true!

I am a rabbit
Ive got to have it
Its a force of habit
I'd like to share my carrot.....with you

Say I've got a one track mind
But I just want to have a grind with you...
I don't wanna marry you I just want to get through to you.....

Bridge----

I must of been a bliss too
Say I'm not concerned
But I don't wanna go with you
To the point of no return
Thats because I'm a rabbit..

If you are a real die-hard you can always try the "sweet child o' mine" solo on it. actually you should do this on all hate yo ur friends songs.

[Chorus]
