

## Into Your Arms

The Lemonheads

I know a place where I can go when I'm alone  
Into your arms whoa into your arms I can go  
I know a place that's safe and warm from the crowd  
Into your arms whoa into your arms I can go  
And if I should fall  
I know I won't be alone  
Be alone anymore

I know a place where I can go when I'm alone  
Into your arms whoa into your arms I can go  
I know a place that's safe and warm from the crowd  
Into your arms whoa into your arms I can go  
So if I should fall  
I know I won't be alone  
Be alone anymore

I know a place where I can go when I'm alone  
Into your arms whoa into your arms I can go  
I can go...
