

Uhhh

The Lemonheads

I know a girl, and she's  
All that I love in the world  
And I don't even know  
What she's thinking now

If I could be with her tonight  
I know the arguing and the spite

We'd shout together and fight  
About whatever was wrong  
Or what's right, it seems  
That doesn't matter, but

If we could slow down and listen hard  
Stupid arguing disregard

Love is heat with a light  
Love's a sound you can't hear  
When we're far far apart,  
When we're too near

If I could show you the picture in my heart  
If I could stop the words before they start....
