

Uhhh

The Lemonheads

I know a girl, and she's
All that I love in the world
And I don't even know
What she's thinking now

If I could be with her tonight
I know the arguing and the spite

We'd shout together and fight
About whatever was wrong
Or what's right, it seems
That doesn't matter, but

If we could slow down and listen hard
Stupid arguing disregard

Love is heat with a light
Love's a sound you can't hear
When we're far far apart,
When we're too near

If I could show you the picture in my heart
If I could stop the words before they start....
