

## Break

## The Letter Black

There's no more running  
I'll have to finally submit  
I don't know when turned  
How can he forgive me?

I don't know what it will take  
I don't know if I will break  
I don't know if I can forgive  
I don't know

I can't keep hidig  
One day I'll have to quit this  
I need to ask him in  
Why should he forgive me?
