I'm Just Fine

The Letter Black

Too many times, you hurt me
You said its love was I crazy
I always knew it was wrong
Why did I fall for you

No more looking back
I don't think I can
Keep on going through all this with you
Trying to forget
All the things you said
I keep coming back to what you did
I'm letting go
I'm letting you know I'm just fine
Without you

I'm trying to clear my mind
From the past wasted time
I finally see
Since you're gone
Why did I fall for you

I'm just fine, without you
I'm just fine
