

Pain Killer

The Letter Black

In the name of love
I'm fearless of what you can do to me
I'm hiding all my tears
Even though I wear them on my sleeve
I can't erase what you have
Done to me

Wanted you to love me
Always seemed to hurt so deep inside
I can't erase what you have
Done to me

Killing pain
Killing pain

You kill my pain
In the name of love
I'm killing pain
In the name of love
I'm fearless of what you can do to me
In the name of love
I'm killing pain
In the name of love

There's no hurting now
From the scars I have
So deep in the past
And I let it go

In the name of love
I'm killing pain
In the name of love

I can see just who I am
Always seems to find me where I am
I can't erase what you have
Done to me

Killing pain
Killing pain

You kill my pain
In the name of love
I'm killing pain
In the name of love
I'm fearless of what you can do to me
In the name of love
I'm killing pain
In the name of love

I'm hiding all my tears
Even though I wear them on my sleeve
It kills the pain

Killing pain
Killing pain

You kill my pain
In the name of love
I'm killing pain
In the name of love
I'm fearless of what you can do to me
In the name of love
I'm killing pain
In the name of love

There's no hurting now
From the scars I have
So deep in the past
And I let it go

In the name of love
I'm killing pain
In the name of love

In the name of love
I'm killing pain
In the name of love
