

Up From The Ashes

The Letter Black

It's time to look me in the eyes
It's time to read between the lines
Thought you would leave me here for dead
But I'm not done yet

I've got nothing left to lose
I've got everything to prove
After all you put me through

Hey yeah, I'm ready, I'm ready to fight
Hey yeah, I'm ready, I'm ready to fight

I won't give in, I'm not that easy
I'll live again and keep on breathing
I'll bleed my last regret
'Cause sometimes you gotta burn the past yeah,
To rise up, rise up from the ashes

It's time time to cut through all this dirt
It's time to bury all that hurt
God help me leave this all behind
I've gotta survive

I've got nothing left to lose
I've got everything to prove
After all you put me through

Hey yeah, I'm ready, I'm ready to fight
Hey yeah, I'm ready, I'm ready to fight

I won't give in, I'm not that easy
I'll live again and keep on breathing
I'll bleed my last regret
'Cause sometimes you gotta burn the past yeah,
To rise up, rise up from the ashes
Rise up, rise up from the ashes
Rise up, rise up from the ashes
Rise up, rise up from the ashes
Rise up, rise up from the ashes

I'm ready, I'm ready to fight
Hey yeah, I'm ready, I'm ready to fight
Hey yeah, I'm ready, I'm ready to fight
Hey yeah, I'm ready, I'm ready to fight

I won't give in, I'm not that easy
I'll live again and keep on breathing
I'll bleed my last regret
'Cause sometimes you gotta burn the past yeah,
To rise up, rise up from the ashes

I won't give in
(Rise up, rise up from the ashes)
I'll live again
(Rise up, rise up from the ashes)
I'll bleed my last regret
'Cause sometimes you gotta burn the past yeah,

To rise up, rise up from the ashes
Rise up, rise up from the ashes
