

For Us All

The Levellers

If you're smiling, you'd better smile for us all
If you're laughing, you'd better laugh for us all
Oh, well, you better, from now on
Yeah, you better, from now on

If you're thinkin', you'd better think for us all
If you're talkin', you'd better talk for us all
Yeah, you better, from now on
Yeah, you better, from now on

If you're dancing, you'd better dance for us all
If you're learning, you'd better learn for us all
Oh, well, you better, from now on
Yeah, you better, from now on

If you're lying, you'd better lie for us all
If you're crying, you'd better cry for us all
Oh, yeah, you better, from now on
Yeah, you better, from now on

'Cos we all need you, yeah, we all need you
We all need you and hope you need us too

And if you're singin', you'd better sing with us all
And if you're swingin', you'd better swing with us all
Oh, well, you better, from now on
If you think you can carry on

'Cos we all need you, yeah, we all need you
We all need you and we hope you need us too
