

What a Beautiful Day

The Levellers

What a beautiful day (hey hey)
I'm the king of all time
And nothing is impossible
In my all powerful mind

Was on the fifth of November, when time it went back
Some say that's impossible, but you and I would never look back
And wasn't it incredible, so beautiful and above all
Just to see the fuse get lit this time
To light a real bonfire, for all time

And what a beautiful day (hey hey)
I'm the king of all time
And nothing is impossible
In my all powerful mind

I was drinking in my night club
It felt good to be back
When Hepburn said "I love you"
And Flyn said, "Make mine a double, Jack"

Then we planned the revolution
To make things better for all time
And when the Guevara said "That's crazy"
And ordered up a bottle of wine

What a beautiful day (hey hey)
I'm the king of all time
And nothing is impossible
In my all powerful mind

In there on the big screen, every night I've seen
The way all things could be
For me, for me, for me, for me

The news broke after midnight,
That we pulled the temples down without a sound
But the generals they were hiding out
And the ministers, Well! They'd all gone to ground

Wealth re-distribution, became the new solution
So I got a paper bag, but you got the one with all the holes

What a beautiful day (hey hey)
I'm the king of all time
And nothing is impossible
In my all powerful mind

Oh yeah, nothing is impossible
In my own powerful mind

That's because nothing is impossible
In my own powerful mind
