

## All I Want

### The Lightning Seeds

You can't ignore or hide away  
Can't escape from the things that line our way  
Take it, leave it or break it  
Anyway, you can't get back to yesterday

All I want, all I want to do  
You better listen from now on  
Stop what's going on, stop what's going wrong  
You better listen from now on

Confidence, coincidence, call it a sin  
It's just like people say  
Tomorrow's here so open up you're eyes  
Never hesitate

It makes me want to give you everything  
Pick you up and take you home again  
Hold you tight and think that now is then  
All I want to do

All I want to do  
Is make you listen from now on  
Cardboard men are strong but paper can be torn  
Oh, you better listen from now on
