## **Another Girl Another Planet**

## **The Lightning Seeds**

I always flirt with death
I could kill, but I don't care about it
I can face your threats
Stand up tall and scream and shout about it

I think I'm on another world with you
I'm on another planet with you

You always get under my skin I don't find it irritating You always play to win I don't need rehabilitating

Another girl, another planet Another girl, another planet

Space travels in my blood And there ain't nothing I can do about it Long journeys wear me out Oh God we won't live without it

Another girl is loving you now Another planet, forever holding you down Another planet
