

Life's Too Short

The Lightning Seeds

I've got the feeling
You've got the feeling
I've got the feeling
You've got the feeling

Oh love don't go away
I wish you'd stay
Can I change your mind?
I'm the king of dreaming in a wishful way
When I'm wide awake
But there comes a time

And I see that what I'm needing
Is a feeling to believe in

Maybe it's true
And I'm just a fool
Who's making us blue
When life's too short

Oh love is kind of tempting fate
It's an unknown state
In a place I can't find
And now I know I've kind of lost my way
But I keep the faith
With an open mind

And now I know I'm kind of lost
But I keep the faith

I've got the feeling, you've got the feeling
Oh I've got the feeling
You've got that feeling too
Life's too short, Life's too short
