

You Belong To Me

The Like

What are
You girls
Gonna tell
Your mother?
I don't want
To hear
Another word
About
Young lovers
Or hiding
Your boyfriend
In the cupboard
She's been
To see the doctor
So you hope
That she recovers

You act dumb
You say
You're so numb
You say
You don't come
Under his thumb

Don't wanna be
A goody-goody
I don't want
Just anybody
No
I don't want
Anybody
Saying
'You belong to me
You belong to me

Your eyes
Are absent
Your mouth
Is silent
Pumping like
A fire hydrant
Things you see
Are
Getting hard
To swallow
You're
Easily led
But
You're much
Too scared
To follow

You've been
Warned
You're going
To get torn
No uniform

Is gonna keep
You warm
