

# You Belong To Me

The Like

What are  
You girls  
Gonna tell  
Your mother?  
I don't want  
To hear  
Another word  
About  
Young lovers  
Or hiding  
Your boyfriend  
In the cupboard  
She's been  
To see the doctor  
So you hope  
That she recovers

You act dumb  
You say  
You're so numb  
You say  
You don't come  
Under his thumb

Don't wanna be  
A goody-goody  
I don't want  
Just anybody  
No  
I don't want  
Anybody  
Saying  
'You belong to me  
You belong to me

Your eyes  
Are absent  
Your mouth  
Is silent  
Pumping like  
A fire hydrant  
Things you see  
Are  
Getting hard  
To swallow  
You're  
Easily led  
But  
You're much  
Too scared  
To follow

You've been  
Warned  
You're going  
To get torn  
No uniform

Is gonna keep  
You warm
