

If Tomorrow Never Comes

The Little Flames

When I lay down next to you
A million whispers fill the room
A million voices in my mind
Ask me what this all could mean

And you turn and walk away
See the tears fall down your face
Something changes deep inside
Tell me how this came to be

But if tomorrow never comes
Maybe I'll keep rolling on
But if tomorrow never comes
There's no need to be alone

If tomorrow never comes
Tomorrow never comes
Tomorrow never comes

I still love you but I'm lost
And I can't give you any more
And there's nothing left to say
To make you understand

You walk across to where I sit
Place your fingers to my lips
Let these future slip away
Thru these empty hands of mine

But if tomorrow never comes
Maybe I'll keep rolling on
But if tomorrow never comes
There's no need to be alone

If tomorrow never comes
Tomorrow never comes
Tomorrow never comes

Tomorrow
If tomorrow never comes
Tomorrow
If tomorrow never comes
Tomorrow
If tomorrow never comes
