

## If Tomorrow Never Comes

The Little Flames

When I lay down next to you  
A million whispers fill the room  
A million voices in my mind  
Ask me what this all could mean

And you turn and walk away  
See the tears fall down your face  
Something changes deep inside  
Tell me how this came to be

But if tomorrow never comes  
Maybe I'll keep rolling on  
But if tomorrow never comes  
There's no need to be alone

If tomorrow never comes  
Tomorrow never comes  
Tomorrow never comes

I still love you but I'm lost  
And I can't give you any more  
And there's nothing left to say  
To make you understand

You walk across to where I sit  
Place your fingers to my lips  
Let these future slip away  
Thru these empty hands of mine

But if tomorrow never comes  
Maybe I'll keep rolling on  
But if tomorrow never comes  
There's no need to be alone

If tomorrow never comes  
Tomorrow never comes  
Tomorrow never comes

Tomorrow  
If tomorrow never comes  
Tomorrow  
If tomorrow never comes  
Tomorrow  
If tomorrow never comes
