## **If Tomorrow Never Comes**

## The Little Flames

When I lay down next to you
A million whispers fill the room
A million voices in my mind
Ask me what this all could mean

And you turn and walk away See the tears fall down your face Something changes deep inside Tell me how this came to be

But if tomorrow never comes Maybe I'll keep rolling on But if tomorrow never comes There's no need to be alone

If tomorrow never comes
Tomorrow never comes
Tomorrow never comes

I still love you but I'm lost And I can't give you any more And there's nothing left to say To make you understand

You walk across to where I sit Place your fingers to my lips Let these future slip away Thru these empty hands of mine

But if tomorrow never comes Maybe I'll keep rolling on But if tomorrow never comes There's no need to be alone

If tomorrow never comes Tomorrow never comes Tomorrow never comes

Tomorrow
If tomorrow never comes
Tomorrow
If tomorrow never comes
Tomorrow
If tomorrow never comes
