

Seven Days

The Little Flames

Seven days since I left you
It's been seven days since I walked away
Seven days since I hurt you
It's been seven days since I walked away

Try to understand
Thou I turn away your hand
Without me you can live again tomorrow

Feelings come and go
And I just have to let you know
I can only promise faithlessness and sorrow
And sorrow

Seven days since I left you
It's been seven days since I walked away
Seven days since I hurt you
It's been seven days since I walked away

And I've thinking of you
I've been thinking of you

Time keeps racing on
And we have wasted far too long
Wearing ourselves down to stay together

Thou I took your hearts
I never meant to take it far
I wish someone could show me how to love you
To love you

Seven days since I left you
It's been seven days since I walked away
Seven days since I hurt you
It's been seven days since I walked away
Seven days since I left you
It's been seven days since I walked away
Seven days since I hurt you
It's been seven days since I walked away

I've been thinking of you
I've been thinking of you
I've been thinking of you
And I've been thinking of you

Seven days since I left you
It's been seven days since I walked away
Seven days since I hurt you
It's been seven days since I walked away
Seven days since I left you
It's been seven days since I walked away
Seven days since I hurt you
It's been seven days since I walked away
