

# Pennies On The Floor

The Little Willies

Your mamma's sweet  
Your daddy's not  
If I could give you all I've got  
I'd give you more than my one foot out the door

Instead I'm stuck,  
With one foot out  
My pot of gold,  
It just ran out

And I'm looking for pennies on the floor

If you could empty my pockets  
You'd find nothing but holes  
And an old book of matches  
From you

Don't you bother,  
You can't change it  
You'd feel charmed,  
Then ignored

'Cause I'm looking for pennies on the floor

[music break]

If you could empty my pockets  
You'd find nothing but holes  
And an old book of matches  
From you

Don't you bother,  
You can't change it  
You'd feel charmed,  
Then ignored

'Cause I'm looking for pennies on the floor

Yes I'm looking for pennies on the floor
