Remember Me

The Little Willies

You told me once that you were mine alone forever And I was yours till the end of eternity. But all those vows are broken now, and I will never Be the same except in memory.

Remember me when the candle lights are gleaming, Remember me at the close of a long, long day. It would be so sweet when all alone I'm dreaming Just to know you still remember me.

A brighter face may take my place when we're apart, dear, Another love with a heart more bold and free. But in the end, fair-weather friends may break your heart, dear. If they do, sweetheart, remember me.

Remember me when the candle lights are gleaming, Remember me at the close of a long, long day. It would be so sweet when all alone I'm dreaming Just to know you still remember me.

Oh, just to know you still remember me.
