

# Bloody Mary

## The Living End

Well, there's no time to stop her now  
Mary's gonna get her way somehow

Still just a game  
But I ask her and remind  
Still just a game  
But I ask her and remind that  
Mary...  
Mary...

23 seconds on the floor  
Is all she needs  
And not a minute more

Tonight, night, night

Well, there's no time to stop her now  
Mary's gonna get her way somehow  
Somehow

Still just a game  
But I ask her and remind  
Still just a game  
But I ask her and remind that  
Mary...  
Mary...

You'll die tonight  
Night, night  
Night, night  
Night
