```
Well, there's no time to stop her now
Mary's gonna get her way somehow
Still just a game
But I ask her and remind
Still just a game
But I ask her and remind that
Mary...
Mary...
23 seconds on the floor
Is all she needs
And not a minute more
Tonight, night, night
Well, there's no time to stop her now
Mary's gonna get her way somehow
Somehow
Still just a game
But I ask her and remind
Still just a game
But I ask her and remind that
Mary...
Mary...
You'll die tonight
Night, night
Night, night
```

Night
