

Don't Shut The Gate

The Living End

Isolate for protection
Put a gate on detention
Gotta make separation

Easy to slide and be hypnotised
Don't shut the gate
Easy to slide and be hypnotised
Don't shut the gate

Investigate for correction
Single out a selection
Settle all apprehension

Easy to slide and be hypnotised
Don't shut the gate
Easy to slide and be hypnotised
Don't shut the gate
Easy to slide and be hypnotised
Don't shut the gate
Easy to slide and be hypnotised
Don't shut the gate

SLAM, SHUT, SHUT, SHUT, SHUT, SHUT, SHUT
