

From Here On In

The Living End

Oh I can't explain it
Oh I guess it's just the way it goes
And for I know no reason
For I know where I'm going

Don't come around here no more
You're not welcome here anymore

From Here On In, you're on your own
So carry on just like before
And don't you think I won't

I've got no time for you
So don't come near me
Cos I just can't stand it
Now there's no room for you
For I know where I'm going

Don't come around here no more
You're not welcome here anymore

From Here On In, you're on your own
So carry on just like before
And don't you think I won't

Oh I can't explain it
Oh I guess it's just the way it goes
For I know no reason
For I know where I'm going

Don't come around here no more
You're not welcome here anymore

From Here On In, you're on your own
So carry on just like before
And don't you think I won't
Don't you think I won't
Don't you think I won't
