

## Girls On Film

### The Living End

See them walking hand in hand across the bridge at midnight  
Heads turning as the lights flashing out are so bright  
Then walk right out to the fourline track  
There's a camera rolling on her back on her back  
And I sense the rhythms humming in a frenzy  
All the way down her spine

Lipstick cherry all over the lens as she's falling  
In miles of sharp blue water coming in where she lies  
The diving man's coming up for air  
Cause the crowd all love pulling dolly by the hair, by the hair  
And she wonders how she ever got here  
As she goes under again

Wider baby smiling you've just made a million  
Fuses pumping live heat twisting out on a wire  
Take one last glimpse into the night  
I'm touching close I'm holding bright, holding tight  
Give me shudders with a whisper take me high  
Till I I'm shooting a star
