## The Living End

Come on!  
When I was just twelve years old  
My daddy sat me on his knee  
And said now listen here my boy  
This is how it's gonna be  
I'm gonna put you right through school  
Boy, Have I got a plan for you  
I said please don't make me Pa  
The only thing I wanna do

Is join a guitar band, a guitar band  
I'm gonna be a star with my guitar in a guitar band  
Yeah, a guitar band, a guitar band  
I'm gonna turn it, on get it strong with a guitar band

Now Pa he looked at me and said who do you think you are  
You gotta have some education, boy  
Or else you won't get far  
I looked at him and said hey, Pa, that jazz is okay for you  
But please let me live my life and do the things I have to do

And join a guitar band, a guitar band  
I'm gonna be a star with my guitar in a guitar band  
Yeah, guitar band, a guitar band  
I'm gonna turn it on, get it strong with a guitar band

(band, band)

ALRIGHT!!  
Guitar Band, a Guitar Band  
I'm gonna be a star with my guitar in a Guitar Band  
Yeah, a Guitar band, a Guitar band  
I'm gonna turn it, on get it strong with a guitar band

Guitar Band, a Guitar Band  
I'm gonna be a star with my guitar in a Guitar Band  
Yeah, a Guitar band, a Guitar band  
I'm gonna turn it, on get it strong with a guitar band

Yeah, a Guitar Band, a Guitar Band  
I'm gonna be a star with my guitar in a Guitar Band  
Yeah, a Guitar band, a Guitar band  
I'm gonna turn it, on get it strong with a guitar band

Alright!!  
Turn it on, make it strong  
Turn it on,

Yeah!
