

# I Don't Wanna Wait (Demo)

The Living End

This  
Can take a long long time  
I don't mean to whine

Well I'm  
Losing my patience yeah,  
Frustrated yeah

Now it's taking too long  
Let me carry on  
I'm early when I wanna be late

Stand before I fall  
Lean against the wall  
And I don't wanna wait

I  
Wanna carry on my way  
Don't wanna take all day

Well I'm  
Disintegrated yeah  
Frustrated yeah

Now it's taking too long  
Let me carry on  
I'm early when I wanna be late

Stand before I fall  
Lean against the wall  
And I don't wanna wait

Why must I play  
Imaginary mind games

Cos I'm sick and tired of staring at the walls  
And I don't wanna wait

Cos I'm sick and tired of staring at the walls  
And I don't wanna wait

Well this  
Can take a long long time  
I don't mean to whine

Well I'm  
Losing my patience yeah,  
Frustrated yeah

Now it's taking too long  
Let me carry on  
I'm early when I wanna be late

Stand before I fall  
Lean against the wall  
And I don't wanna wait

Oh I don't wanna wait  
Oh I don't wanna wait  
Oh I don't wanna wait
