

# Long Live The Weekend

The Living End

Workin' for a man that you don't understand so forget it  
Spendin' all your dough yeah you know as soon as you get it  
Wastin' your time on an assembly line you want out of it  
Pickin' up your pay at the end of the day and get out of it  
And get away

Cause you're wonderin' if it's gonna change  
Cause the weekdays are the same as always never changing

Make a break, another escape  
I gotta get out, I gotta get out  
Make a break, another escape  
I gotta get out, I gotta get out  
Long live the weekend

Monday - don't want to get out of bed  
Tuesday - I'm walking with the dead  
Wednesday - never felt so wrong  
Thursday - takes twice as long  
but Friday, i know where I'm gonna be  
Faraway from the same old everyday ordinary

Make a break, another escape  
I gotta get out, I gotta get out  
Make a break, another escape  
I gotta get out, I gotta get out  
Long live the weekend  
Long live the weekend

Week in, week out [repeat lots]

Well I don't care if i don't get paid  
I can't sit here for one more day....  
Wasting away

Well now you're wonderin' if it's gonna change  
Cause the weekdays are the same as always never changing

Make a break, another escape  
I gotta get out, I gotta get out  
Make a break, another escape  
I gotta get out, I gotta get out  
Long live the weekend

Long live the weekend  
Long live the weekend  
Long live the weekend
