

Prisoner On The Inside

The Living End

She used to give me roses
I wish she could again
But that was on the outside
And things were different then

I dreamed we were together
With a love so clear and strong
But that was on the outside
Where did I go wrong

On the inside the sun still shines
And the rain falls down
But the sun and rain are prisoners too
When the morning comes around

Last night I dreamed we were together
Sharing all the love we've known
Till I had to face the nightmare
Of waking up alone

On the inside the sun still shines
And the rain falls down
But the sun and rain are prisoners too
When the morning comes around
