

White Noise

The Living End

All that I'm hearing from you
Is White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from you
Is White Noise (White Noise)
White Noise (White Noise)
White Noise...

If looks could kill
I'd be in trouble right now
Time stands still
When you're around

Well, I gave you all my time,
And you gave me all your lies.
And you've just come around
to say goodbye.

Now here we stand
With our hearts in our hands
Squeezing out all the life
All that I hear
Is a message, unclear
What else is there to decide?

All that I'm hearing from you
Is White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from you
Is White Noise (White Noise)
White Noise (White Noise)
White Noise

You promised me your soul
But then left me in the cold
No warning and without a reason

You're placing yourself
in a world of mistrust,
Making excuses
it's not you, it's us.
But how can something unspoken
seem so loud.

And now

All that I'm hearing from you
Is White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from you
Is White Noise (White Noise)
White Noise (White Noise)

The operator comes on the line
Says hurry up man
'cos you ain't got much time
White Noise

White Noise

All that I'm hearing from you
Is White Noise
All that I'm hearing from you
Is White Noise
White Noise

White Noise (White Noise)
White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from You
Is White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from You
Is White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from You
Is White Noise (White Noise)
White Noise (White Noise)
All that I'm hearing from You...
Is White Noise (White Noise)
