Just Like You

The Locust

There wasn't room
Inside that smoke-filled room
You were beside yourself
Not beside me
You've caught up
You believe that you've grown up
We know you thought that up, needless to say
You had your way, king for a day
You always see that you have your way
I'd suggest
If they were to be impressed
And see you at your best
It would be without me
But you never knew
What I could be without you
What I could ever do
Without you
Without you
I'd start anew
I'd take control
I could be just like you...
