

Coyote

The Lonely Forest

Get up listen to the coyote's howl
Why do they sound so menacing?
And do they know what I did last night
Does my sin seem interesting?
x2

I wish you'd come back home, home
I want to hold your hand
I wish you'd come back home
I want to hold your hand

Oh. Oh. Oh...

Get up listen to the coyote's howl
Why do they sound so menacing?
And do they know what I did last night
And does my sin seem interesting?

I wish you'd come back home, home
I want to hold your hand
I wish you'd come back home
I want to hold your hand

It will be alright
