## The Long Blondes

Catch me when I'm fallin'  
Catch me when I'm fallin'  
Catch me when I'm fallin'  
Century Century Century Century

Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love

Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love

Once futuristic change  
Now nostalgic knock-down  
Traffic stops abandoned  
Out of sync, out of fashion

Empty streets bely  
Under ground a discerned you  
Architecturally sheik  
So then we can meet you

Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love

Everything I touch  
Everything I touch  
Everything I touch  
Lightening trials of human love

Shop lines in glass  
A new world war  
Untimeless beauty  
All the rage, all the rage

Promises broken  
Television erased  
Nothing is sacred  
Can-can dance to the golden age

White, Black  
Gray, Light  
Space, Crowd

White, Black  
Gray, Light  
Space, Crowd

White Black  
Blocks, Borders  
Space, Crowd

Century, century  
Century, century

Century, century  
Century, century
