

## All This Love

### The Lost Trailers

You don't even know what you did do you, baby  
You never looked back when you left  
You didn't see me goin crazy  
Pickin up the pieces all by myself

What am I gonna do with all this love  
Now that you don't need it anymore  
Who am I gonna give it to, it still all belongs to you  
What am I gonna do with all this love

Packed all your things away in boxes  
Put them under the bed collecting dust  
I hid all your pictures in the closet  
Oh, but theres still so much of us

What am I gonna do with all this love  
Now that you don't need it anymore  
Who am I gonna give it to, it still all belongs to you  
What am I gonna do with all this love

Girl, you know I wish you well but I just wish you could tell me  
What am I gonna do with all this love

I've looked all around this house  
I'm still tryin, tryin to figure out  
What am I gonna do with all this love

Its more than I can deal with, baby  
More than I can live with, baby  
What am I gonna do with all this love

You left me with way too much, all these memories of us  
What am I gonna do with all this love
