

Bad Habit

The Lost Trailers

I'm not asking you to understand.
All that I do that's just the way I am.
But all I want is to be your man.

Just let me be your....your bad habit.
Just tell me what you need and you'll have it now
Just tell her heart to release me
I'm only with her cause I've had to fight against the world tha
t wants to run our lives.
But I would stop to be with you tonite.

Just let me be your....your bad habit
Just tell me what you need and you'll have it now
Just tell her heart to release me
And you still please me so come on babe release me.

Leaving her now, I'm never thinking
'Til we went out by the river now I'm sinking down
Those days are gone
Thanks to you, now all I wanted is the love thats flowing throu
gh you

Just let me be your....your bad habit
Just let me be your....your bad habit
Just let me be your....your bad habit
Just let me be your....your bad habit

Just let me be your....your bad habit
Just let me be your....your bad habit
Just let me be your....your bad habit
Just let me be your....your bad habit

I'm not asking you to understand.
But all I want is to be your man
