

Hey Baby

The Lost Trailers

Your Daddy thinks I'm up to no good
I'm only doin what a young man should
Its been thirteen days since Ive seen your face
I can tell, pretty babe, you wanna get away
So I'm firin up the Chevy, you better get ready
Hit downtown with the tailgate down
Blast Song of the South till the cops come out
Watch the full moon glide on the riverside

Hey, Baby, Hey, Baby, lets take a ride this Saturday night
Get lost under the full moonlight, hey, Baby

I got a cooler and a fifth of rum, ride by our old high school
on Highway One
Raise these Solo cups to the hands of fate can you believe they
ever let us graduate
Now the strips fillin up, ain't no place to hide, its gettin so
hot with you by my side
Tell me what you want, tell me what you need tonight I swear I'
m gonna give you everything

Hey, Baby, Hey, Baby, lets take a ride this Saturday night
Get lost under the full moonlight, hey, Baby

Hey babe, its been a long, long time
But it feels so right when you hold me tight
You know I wanna make it last all night

Hey, Baby, Hey, Baby, lets take a ride this Saturday night
Get lost under the full moonlight, hey, Baby
