

Little Susie

The Lost Trailers

Little Susie's got herself in a mess, three guys in a room and
she's sitting butt naked,
got cocaine lines running up her nose, cowboy hat all under her
clothes,
She was lost when she came to this town, well she might be high
but she sure ain't found,
So she takes a risk, lives her life on a roll, country music's
gonna save her soul.

Little Susie had a chance one day, she met her a man from MCA,
A kiss, a dance, then it went a little far, til he went and sho
wed her where the record deals are,
Now Susie can't sing and Susie can't dance, but you can't forge
t Susie if you give her a chance,
Everything will be alright once she gets her video, country mu
sic gonna save her soul....

Line, Little Susie, and a bowl, Little Susie, oh Little Susie y
ou gotta know.....
That I hope you get your picture on a TV show, and I hope you h
ear your voice on the radio,
cause if you don't, they won't be calling you back no more.

Little Susie's got a forward but don't know what it means,
so she's living like the Queen of New Orleans,
Released the record in December but it didn't do jack,
now record label wants their money back.
Well Susie sued them and they sued her, and Judge said, "Susie
you should hear these words...
If ever making music was your ultimate goal, they never could h
ave touched your soul.
