

## When I Stop Dreaming

The Louvin Brothers

The worst that I've ever been hurt in my life  
The first time I ever wanted to die  
Was the night when you told me you loved someone new  
And asked me if I could forget

When I stop dreaming  
That's when I'll stop loving you

I'd be like a flower unwanted in spring  
Alone and neglected transplanted in vain  
To a garden of sadness where it's pedals will fall  
In the shadow of undying pain

You can teach the flowers to bloom in the snow  
You may take a pebble and teach it to grow  
You can teach all the raindrops to return to the clouds  
But you can't teach my heart to forget
