

When I go, when I go  
Sure don't know, where I'm going  
I look up high, I look down low  
Sure don't know where I'm going when I go

Do you job and I'll do mine  
I'll do my best to hold the line  
Do my best like Charlie said  
You don't eat here, you're not to sleep, you hold the line

Oh my God, Oh my God, Charlie Darwin where are you now  
I set these tiresome codes down where you lay  
Oh my God, Oh my God, it ain't nothing but the cold hard ground  
My better half will stay but I must go
