## **The Low Anthem**

When I go, when I go Sure don't know, where I'm going I look up high, I look down low Sure don't know where I'm going when I go

Do you job and I'll do mine I'll do my best to hold the line Do my best like Charlie said You don't eat here, you're not to sleep, you hold the line

Oh my God, Oh my God, Charlie Darwin where are you now I set these tiresome codes down where you lay Oh my God, Oh my God, it ain't nothing but the cold hard ground My better half will stay but I must go
