The Lox

[Jadakiss]

Ugh, Ugh, Ugh, Ugh  
Aiyo I woke up in a daze wit da slight headache  
You know tha usual tha studio gettin red late  
Serious jetlag when I get to bed late  
That why I fuck cause I be weak when I get head late  
Today I got a session wit Ronnie I mean Veronica  
Met her last year about a week before Hanukkah  
Sounds foolish I mean honey wasn't jewish  
But she had a lot of dough and she was nice on computers  
She told me she was born and raised in Bermuda  
And came here to get a job as a tutor  
I pursued make a long story short screwed her  
She moved and she came back still on tha same track  
Same wit same chips ass it was still fat  
I aint really think she wuz a freak  
But she did ask a lotta questions bout Stylez and Sheik  
She called me and said she was in town fo a week  
The Westside, Manhattan, the Suite and tha Marquise  
How I felt about gettin up fo old times sake  
Ima bring Stylez and Sheik wit me datta be great  
Jus have two friendz we gon bring da truck and tha new Benz  
Desert in da stashin da Sony cam zoom lens  
All have ourselves one big hell of a weekend  
Eat at Puff's joint an catch a show at tha beacon  
Twist a dutch blaze from Y-O to the Hudson  
Pass tha tall one 2-5 we still puffin'  
We got tha heat on a cold night n da winter  
Stylez you remember, Sheik you remember

[Sheek]

Oh yeah, I remember dem hoes dat night  
We wuz at da beacon right  
Chris Tucker performing  
All of us wuz in der outside it wuz stormin  
Cats and Dogs  
Aiyyo dese hoes wuz tough  
Besides tha air condition on high we wuz icy enough  
From my neck to da belt buckle to our shoes shall i go on  
Wit 5 of us up front he needed shades to perform  
Mose from tha flo up we inside toe up  
I drink dey smoke no coke  
Besides tha shit he said on stage tha cash we had on us wuz no joke  
I slid fo seats down she sittin der smilin  
Lookin like she from an island not them chicks dat be out wilin'  
Told me dat her name wuz Cindy  
Favorite show Mark and Mindy  
Favorite color green no kids but plan to have plenty  
We chit den chat bout dis n dat  
From what kind of whip she push  
To what bar she be at  
She played hard to get  
But we made it from tha movie to tha jacuzzi  
From tha jacuzzi to the bed  
We fucked until we both got woozy  
Woke up breath stinkin  
Yawnin and shit

I smelt breakfast in tha kitchen but where wuz da bitch  
I walked in der it wuz cheese eggs and grits on da table  
Wit beef sausages and orange juice next to da cable  
Wit a note sayin sorry I had to rob you baby but  
I need cash like you I aint your ordinary slut  
or dick teaser please I need food in my freezer  
and by the time you read dis note I done been spent yo Visa

[Stylez]

Cause she like to fuck doggy style plus hold da D  
But now I got to handle dis cause dey skandalous  
Cindy robbed shiek and moved to Los Angeles  
Like I wont killa frienz  
Went to bounce stole a Benz

Dont take it personal we didnt finish the job  
Manaje Twa  
We kill niggas wit dey dick hard  
They got me lookin'at da letta stuff  
Why da fuck dey left da truck  
3 bitches in my house  
proibly try to wet me up  
Crept to tha kitchen  
Seen Ronnie by the cabanet  
Tried tha gun holster with tha forty fo maganet  
Shot her in da heart  
Den caught tha earchess fabanet  
Den I seen Cindy  
Tha bitch tried to end me  
Running out da living room  
Bustin off Kissimee  
The bitch couldnt aim  
So I blew her out da frame  
Turned around to Beatrice  
Why you look speachless  
We could have lived it up and jus fucked on tha beaches  
And now you gotta die  
And da stupid bitch is reaching  
B'fo I cocked it back  
I heard tires screeching
