## **Stubborn Love**

## **The Lumineers**

She'll lie and steal and cheat, and beg you from her knees Make you thinks she means it this time She'll tear a hole in you, the one you can't repair But I still love her, I don't really care

When we were young, Oh Oh, we did enough When it got cold, Ooh Ooh, we bundled up I cant be told, Ah Ah It cant be done

It's better to feel pain, than nothing at all The opposite of love's indifference Pay attention now, I'm standing on your porch screaming out And I wont leave until you come downstairs

So keep your head up, keep your love keep your head up, my love (2x) Keep your head up, keep your love

I don't blame ya dear for running like you did, all these years I would do the same, your best believe The highway signs say we're close, but I don't read those thing s anymore I never trusted my own eyes

When we were young oh oh, we did enough When it got cold, Ooh ooh we bundled up I can't be told, Ah ah, can't be done

So keep your head up, keep your love keep your head up, my love (2x) keep your head up, keep your love
