

So tonight I got date with a girl I really really hate

Always out with terminal cases and I don't remember there
rotten faces

I don't wana go and be in a freakshow

Freakshow oh no

They said I wasn't polite I don't know whats wrong or
whats right

I don't care what they say I know theres must be another
way

I don't wana go and be in a freakshow

Freakshow oh no

So tonight I got date with a girl I really really hate

Always out with terminal cases and I don't remember there
