

Jenny

The Lurkers

Ooh, Jenny said the love would grow
As we kept on dancing slow
I couldn't try to disagree
'Cause she was so close to me

And it's oh my my, oh my, oh my
I can't forget her hazel eyes
Oh ya ya, oh ya, oh ya
Without her I would die
Die, die, die
La la-la la

Jenny led a double life
Killed a girl with a knife
And daddy had to pay the bail
Said I led her off the rails

Oh my my, oh my, oh my
I can't forget her hazel eyes
Oh ya ya, oh ya, oh ya
Without her I would die
Die, die, die
La la-la la

Jenny's just a number now
She's gone away but still somehow
Think about her everyday
Now that she's been put away

And it's oh my my, oh my, oh my
I can't forget her hazel eyes
Oh ya ya, oh ya, oh ya
Without her I would die
Die, die, die

Oh my my, oh my, oh my
I can't forget her hazel eyes
Oh ya ya, oh ya, oh ya
Without her I would die
Die, die, die

Oh my my, oh my, oh my
I can't forget her hazel eyes
Oh ya ya, oh ya, oh ya
Without her I would die
Die, die, die
La la-la la
Woo!
